TSP Automated Data Processing Representatives

The purpose of this bulletin is to provide agency payroll and automated data processing representatives with corrected record layouts for lost earnings records. The record layouts and the procedures for using these records were provided to agency representatives with TSP Bulletin 90-42, New Record Layouts for Lost Earnings, dated December 17, 1990. The information and procedures contained in that bulletin have not changed.

The lost earnings record layouts have been corrected as described below:

TSP-Lost-Earnings-Record (51 Record). The only change to this record is the addition of the Block Size (27,904).

TSP-Lost-Earnings-Header-Record. The position description of the TSP-PHONE-NO, TSP-LOST-EARNINGS-CALCULATION-CODE, and the FILLER has been corrected.

TSP-Lost-Earnings-Trailer Record. The length of the TSP-LOAN-ALLOTMENT field has been expanded to 14 positions, which required a change in the position of the TSP-TOT-LOST-ERNGS-RCNT and the FILLER.
